

SinterCast is the world's leading supplier of process control technology for the reliable high volume production of Compacted Graphite Iron (CGI). As a specialist supplier of precision measurement and process control solutions to the metals industry, SinterCast also supplies a suite of tracking technologies, including the SinterCast Ladle Tracker® and Cast Tracker® technologies to improve process control, productivity and traceability in a variety of applications.

As a result of our growing customer activities we now seek to reinforce the Team at our Technical Centre in Katrineholm with the following recruitment:

Accounting & Administration Manager

- The Accounting & Administration Manager will be responsible for accounting, reporting and control functions for international subsidiaries within the SinterCast Group.
- Full responsibility for the Record to Report process is crucial.
- Support day-to-day tasks within accounts receivable and payable for the parent company, SinterCast AB.
- Assist the Operations team with contracts and orders in respect of order handling, delivery & logistics, including creation of necessary documentation, contact with forwarders and customs, purchasing and invoicing

Reporting to the Finance Director, the successful applicant will have a background with a minimum of five years relevant experience within accounting or auditing. The position offers exciting opportunities for self-motivated and flexible individuals who have a strong appreciation for service and digitalisation. SinterCast is active in Europe, Asia and the Americas. This position is based at our Technical Centre in Katrineholm, Sweden.
