

# SinterCast

— Supermetal CGI —

***SinterCast® is the world's leading supplier of process control technology for the production of Compacted Graphite Iron (CGI). Our technology enables improved transport solutions, increasing efficiency and reducing carbon emissions. With 54 installations in 14 countries, SinterCast is a publicly traded company on the Nasdaq Stockholm stock exchange.***

## Information and Communication Manager

Working directly with Executive Management, the Information and Communication Manager will support and enhance our communication ensuring that Financial Reports and Press Releases comply to a listed company standard.

Your responsibilities will include:

- Final preparation and distribution of Interim Reports, Annual Reports and Press Releases
- Support the President & CEO to increase the awareness of the SinterCast brand and to enhance investor communication
- Maintain and develop the SinterCast Website, the SinterCast Intranet and SinterCast LinkedIn account.
- Personnel management of the Web and Graphic Design Assistant
- Manage ESG activities, including preparation of ESG report and sustainability messaging
- Assist in preparation of shareholder events, exhibitions and trade fairs

Reporting to the Finance Director, the successful applicant will have experience from a similar role within a commercial environment. Excellent computer and web/intranet skills and excellent knowledge of English and Swedish will be a distinct advantage to your application. Based at our Technical Centre in Katrineholm, Sweden this position offers exciting opportunities for a self-motivated, service-minded and driven individual.

*For further information contact Daphner Uhmeier, Finance Director, telephone +46706985127*

*Send your written application marked "Information and Communication" before 31 May 2022 to: [daphner.uhmeier@sintercast.com](mailto:daphner.uhmeier@sintercast.com).*
